

## About National Group

Since 1998, National Group is in the field of offering educational assistance to students in pursuing overseas education. In this field, we hold the position of being an organization committed to professionalism. Our team consists of dedicated professionals who strive their best to keep with our mission and vision of the organisation.

We have sustained in this field just because we stand strong with our promise. Our promise to be the guide in a student's journey from here to abroad. Moreover, we just don't boast but with true results and ever growing response rate from students you can rely on us without any doubt. Our commitment to integrity, transparency and ethical business practices is the foundation of our operations. We work as an ATMC, Australia Education hub as well.

Our services include assistance in the admission process, student visa, country selection, picking the best college or university, guidance in loan and funding. We are not just done with all this, students are our 'responsibility' hence we also provide pre and post departure guidance and counselling and aim that our students must get cost effective education abroad. So, all these benefits are offered through one organisation i.e. **National Group**.

There are many feathers in our cap:

- As we are awarded as one of the Best Centre of India in 2008, 2009 & 2010.(Three consecutive National Award Winner)
- Best Institute of Surat from Gujarat Mitra Daily and Consumer Forum, Surat.
- Awarded the best centre in India in the field of Academics by AUPP-2019 (Pathway Programme)
